

REMARKS

The specification has been amended to correct several relatively simple typographical errors. These amendments were made and accepted in parent application 09/853,897.

Enclosed herewith in full compliance to 37 C.F.R. §§1.821-1.825 is a Sequence Listing (which is of record in parent application 09/853,897). Applicants note that a disk copy of the Substitute Sequence Listing is required pursuant to 37 C.F.R. §§1.821-1.825. The computer readable form (CRF) in the present new application is to be identical with the CRF of parent application serial number 09/853,897, submitted as file "2003-06-10 3759-0122.st25. Accordingly, in lieu of filing a duplicate CFR in the present application, Applicants request that the USPTO use the CFR Sequence Listing that is already on file for the parent application.

No new matter is inserted into the application via this amendment. Entry of the present amendment and favorable action on the above-identified application are earnestly solicited.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Craig A. McRobbie (Reg. No. 42,874) at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
